

ADIB CHERIT HERNÁNDEZ

I'm a 23-year-old digital artist from Mexico City. I have worked in different areas for the production and direction of animated short films. I like to listen to the opinions of other people and share mine. I enjoy speaking in public and sharing my experiences related to the production of projects. My goal is to inspire people through what I do and find inspiration in people I know.

2D and 3D Animation / Illustration / Character Design / 3D Modeling / Motion Graphics
