What Is TKT?

The Teaching Knowledge Test (TKT) is a test from Cambridge ESOL about teaching English to speakers of other languages. It aims to increase teacher's confidence and enhance job prospects by focusing on the core teaching knowledge needed by teachers of primary, secondary or adult learners, anywhere in the world. This flexible and accessible award will help you to understand.

- Different methodologies for teaching.
- The 'language of teaching'.
- The ways in which resources can be used.
- The key aspects of lesson planning.
- Classroom management methods for different needs.

Who is TKT for?

Teaching Knowledge Test

TKT TKT gives teachers a strong foundation in the core areas of teaching knowledge needed in the English language teaching classroom.

It is ideal for all teachers, whatever their background and teaching experience, and is also suitable for people who would like to teach English but do not yet have a teaching position. There are no formal entry requirements.

However, anyone wishing to take TKT is strongly advised to have at least an intermediate level of English

What does TKT involve?

Most teachers are likely to follow a preparation course before taking the test but you can also prepare yourself through your own reading and study, if you prefer. TKT has three core modules. These can be taken together in one exam session or separately, in any order, over three sessions. Each module consists of a test of 80 objective questions, lasting 80 minutes, which require you to select the correct answer and mark this on a computerized answer sheet.

Modules

Module 1 — Language and background to language learning and teaching:

- Describing language and language skills
- Background to language learning
- Background to language teaching

Module 2 — Planning lessons and use of resources for language teaching:

- Planning and preparing a lesson or sequence of lessons
- Selection and use of resources and materials.

Module 3 — Managing the teaching and learning process:

- Teachers' and learners' language in the classroom
- Classroom management

Advantages of having an international certification

A certificate from Cambridge ESOL tells people a great deal about you and what you can do. It is recognized as proof of your language abilities by more than 11,000 employers, universities and government bodies around the world.
