

Coronado Alexis

Editor de Vídeo y Motion Graphic

Ciudad de México 03810

elbolainas@outlook.com

3334773010

I am a person who likes to work both alone and as a team, listening to others about their plans and opinions, making their own decisions also depending on the case.

I studied bachelor's degree in computer science and I am currently studying animation design and Web in the evenings / nights.

Management of Adobe programs like Photoshop, Illustrator, Animate, ToonBoom, Premiere, After Effects, Audition, etc.

I was currently working as a telephone transfer executive directly for HSBC.

Coronado Segura Cristian Alexis
