SKILLS/QUALIFICATIONS

Communication: I speak fluent English and Spanish, and beginner French. My experience applying my bilingual skills in the workplace has trained me to be an effective communicator.

Leadership: I demonstrate initiative and guidance, and always think about the methods to successfully reach goals and the common good. I lead by example by setting deadlines and objectives, and embracing challenges.

Teamwork: I enjoy working with diverse groups of people and respect different ideas and perspectives. This skill has enabled me to work in teams, build comradery and achieve common objectives.

Problem Solver: I face challenges from a calm and methodological perspective; I analyze problems, and try to solve them with the best options available, often I find creative and resourceful solutions. For example, in the industry of film and television, things can get stressful. However, I am very familiar with deadlines and thrive under pressure to get things done in short time.

Technical Skills:

- *Adobe Creative Suite (Photoshop, Illustrator, After Effects, Premiere Pro, Audition)*
- *3dsMax*
- *Final Cut Pro*
- *Cinema 4D*
- *Hand drawn illustration / Professional Painting (commercial and residential)*
- *Mexican Drivers license (auto and manual)* • *Serving it Right Certification (SIR)*
