NIVEL ACADÉMICO

Master Degree in 3D Animation and Digital Postproduction

EXPERIENCIA

2020 I've been working on some animation and videogames projects doing backgrounds, character design and storyboards.

2017 - 2019 Illustrator Senior at Visionaria Games

2013-2016 studied a master degree in 3D animation and digital post production at UNIAT in Guadalajara Mexico. Meanwhile took jobs as freelancer, that gave the opportunity to collaborate in some interesting projects, such as "Cadena de mando" a comic book about a group of soldiers who committed several acts of abuse against civilians during the war on drugs in Mexico, and in one animation that talks about migration around the world

2009-2013 2009-2013: Have worked for El Colegio de Chihuahua on several editorial design and animation projects doing 2D animation, layouts, character design, background design, storyboards, concept art and animation editing.

2012 Painted a mural for the Plaza Cervatina restoration project at Cd. Juarez Chihuahua, Mexico

Painted a mural at the Stan Lee & Gerald Rubin Center For The Visual Arts at the University of Texas at El Paso (UTEP) for a project called "El Flow"

Painted a mural at the University of Toulouse Mirail, Toulouse France, as part of the project:

Collaboration with another artist in a mural painting at the Toluse France Cineteca for the "Festival de Cine Latino" that goes on every year.

Painted a mural for the Mercado Juarez restoration project at Cd. Juarez Chihuahua, Mexico

2011 I was in charge of the production and real time manipulation of visual material to be projected with live music by the band Fearless in their presentation at the "Festival Internacional Chihuahua".

Painted a piece that was exhibit at the Museo del INBA at Cd. Juarez Chih. For the "Puro borde" exhibition project along with several artist form both sides of the Mexico US border.

2009 Painted a mural at the underground parking lot of the Centro Cultural Paso del Norte" for the "Cronologia subterranea de Cd. Juarez".

Later that year I painted wall inside the Centro Cultural Paso del Norte that was exhibit as part of the "Las Calles Estan Diciendo Cosas" collective expo.

Member of the Sociedad Mexicana de Acuarelistas (Watercolor Mexican Society).

March 2020: Honorable mention for a watercolor painting at the "Aguas todo se vale" contest organized by the Mexican watercolor society at the lobby of the architecture faculty of the UNAM

July 2015: 3rd place in the LV annual watercolor competition for amateurs at the Museo Nacional de la acuarela "Alfredo Guati Rojo"
