ABOUT

ITZEL OREGÓN Make-Up Artist

Born in Mexico City in 1989. She is a Make-Up Artist who specialises in characterization and has over a decade of experience in the field. From a very early age she developed a passion for the visual arts. This passion brought her to Barcelona, where she trained for a year in the crafts of beauty make-up and characterization at the prestigious Cazcarra Image School. In 2012, in an effort to refine her craft, she flew to Los Angeles, CA, to take a series of courses at Hollywood's acclaimed Cinema Make-Up School. Since her return to Mexico City, she has worked in a variety of films, television series, commercials, and magazines.
