HOLANDA / MAGNUM

A full-body photograph of a young man standing against a wall made of horizontal corrugated metal sheets. He is wearing a black wide-brimmed hat, a black short-sleeved t-shirt, black slim-fit trousers with cuffed hems, and white sneakers. He is holding a large black bag over his shoulder with both hands. The lighting is bright, creating strong shadows on the wall and ground. The word "DOCKERS" is overlaid in white capital letters within a thin white rectangular border.

babys, it's a wild world.

A close-up, macro shot of a brown leather shoe. The leather is perforated with a regular grid of small holes, giving it a textured, breathable appearance. The shoe is shown from a side profile, highlighting the stitching along the edge of the sole. The sole itself is made of a lighter brown material, possibly wood or cork, and features white stitching. The lighting is warm and focused, creating a sense of depth and highlighting the texture of the leather.

BRANTANO

A person with long brown hair, wearing a light-colored trench coat and dark pants, stands on a wet city street at night. They are holding a large blue umbrella over their head. The street is wet and reflects the warm yellow lights of street lamps and the headlights of cars in the distance. In the background, a large, curved yellow structure, possibly a bridge or a monument, is visible against a dark sky. The overall atmosphere is moody and urban.
