# **LENNYQUIÑONES**

GRAPHIC DESIGNER

#### Mexico City

I am a graphic designer heavily inspired by LifeStyle, extreme sports, most of all skateboarding and surfing. I have skated and surfed throughout the years while designing for various companies in the industry. I feed off being creative and produce very clean designs. I make it a priority to stay at the forefront of fashion. I like to have the newest and hottest items on the market, especially extreme Sports. I hope to be able to benefit a company with my skills and to be able to work at a job that I enjoy.
