February 2012 to Present

Miembros:Luis Castaneda

I did short film just for fun. It was a real challenge because it was my first short film and I had no idea what I was doing. At the end the result was a combination of Technics telling a twisted story.

Unhappy girl

2014 to Present

Miembros:Luis Castaneda

This is a series of videos on 8 mm that tells the love story of a guy. this will be an exposition for museums.

Go Insane

2013 to Present

Miembros:Luis Castaneda

William has got no memory of his past, he is facing something he did but can't recall the event in his head. He is thrilled and wants to discover his fate, so he is going to dive into his mind to remember her name and his sin. He is going to remember what he blocked but never forgot.

1 person has recommended Luis

"Luis is a great asset to have at the studio. He has energy for his work, and a creative mind that is going to serve him well throughout his career. It is exciting to meet the next generation of animators, and see people like Luis who have serious passion for the industry. I am more than happy to act as a reference for Luis & provide further details, available via inmail or rachael@maliarts.net"
