To Whom it may concern,

This letter is my personal recommendation for Omar Villaseñor Solorio, whom I have known since 2016. During this year and a half, he has worked as part of the Creative Services team in izzi telecom, one of the most important Telecommunications company in Mexico.

I am Omar's immediate supervisor. Hiring him has been a great decision in my career. He always proves to be very dedicated with the responsibilities that are assigned to him, has a high moral quality, is a good co-worker with a great sense of teamwork and organization, a high level of creativity, with excellent rapport for dealing with internal customers, and has proved to be an excellent Copywriter.

For all these reasons, I highly recommend Omar.

Please feel free to contact me for any further questions.

Sincerely,

Beatriz Mancebo
