¡Hola!

My name is Rafael Mendoza, I am an experienced Graphic Designer focused on branding, online and advertising design.

Over the past few years I have been able to collaborate with some of the most renowned editorial houses and advertising agencies like McCann-Erickson, Llorente y Cuenca, Editorial Televisa and Expansión, among others.

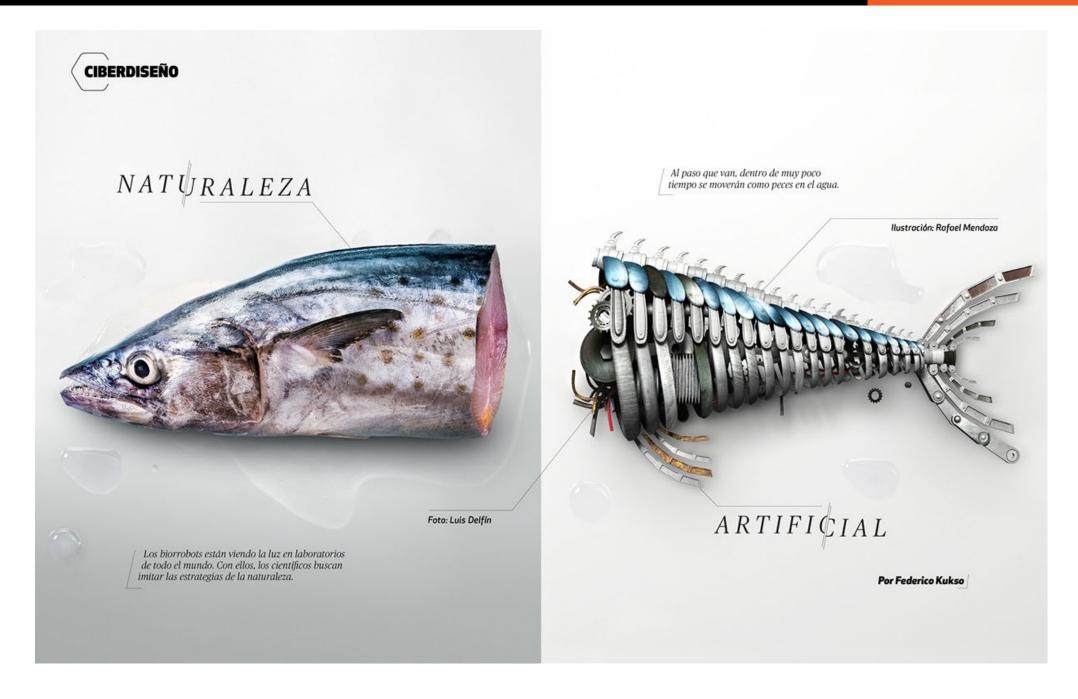

I am fluent in Photoshop, Illustrator, InDesign, After Effects and Autodesk Maya. I hold a specialization in Illustration from Saint Martin School of Art. I am fluent in both English and Spanish and have experience leading work groups.

My work has been featured in several prestigious publications like **Mascotte**, published by Delicatessen, **Illustration Now!** edited by Taschen and **The New York Society of Publications Designers**.

I would love to be a part of your team because I am positive this would be a great opportunity for me to take my career into a more meaningful level.

Best regards.
