

RODRIGO ANGUAS [PHOTOGRAPHER]

[Acerca de mí]

Fotógrafo multidisciplinario.

mi camino me ha llevado a acompañar profesionales de la moda, del medio editorial, eventos sociales, publicidad y mercadotecnia para representar visualmente sus proyectos.

Nutrido por estas disciplinas y por mi formación en medios, desarrollé cortometrajes de ficción vinculados con el mundo de la moda, mismos que presenté durante varios años en el Festival de Arte y Moda de Toronto, Canadá.

Entre proyectos artísticos y comerciales, mi trabajo se inspira de estos dos mundos para generar propuestas innovadoras, frescas y atentas a sus necesidades.

[About me]

As a multidisciplinary photographer,
my experience led me to work along with professionals from Fashion,
Editorial, Runway, Portrait, Social Events, Documentary, Advertising & Marketing' world.

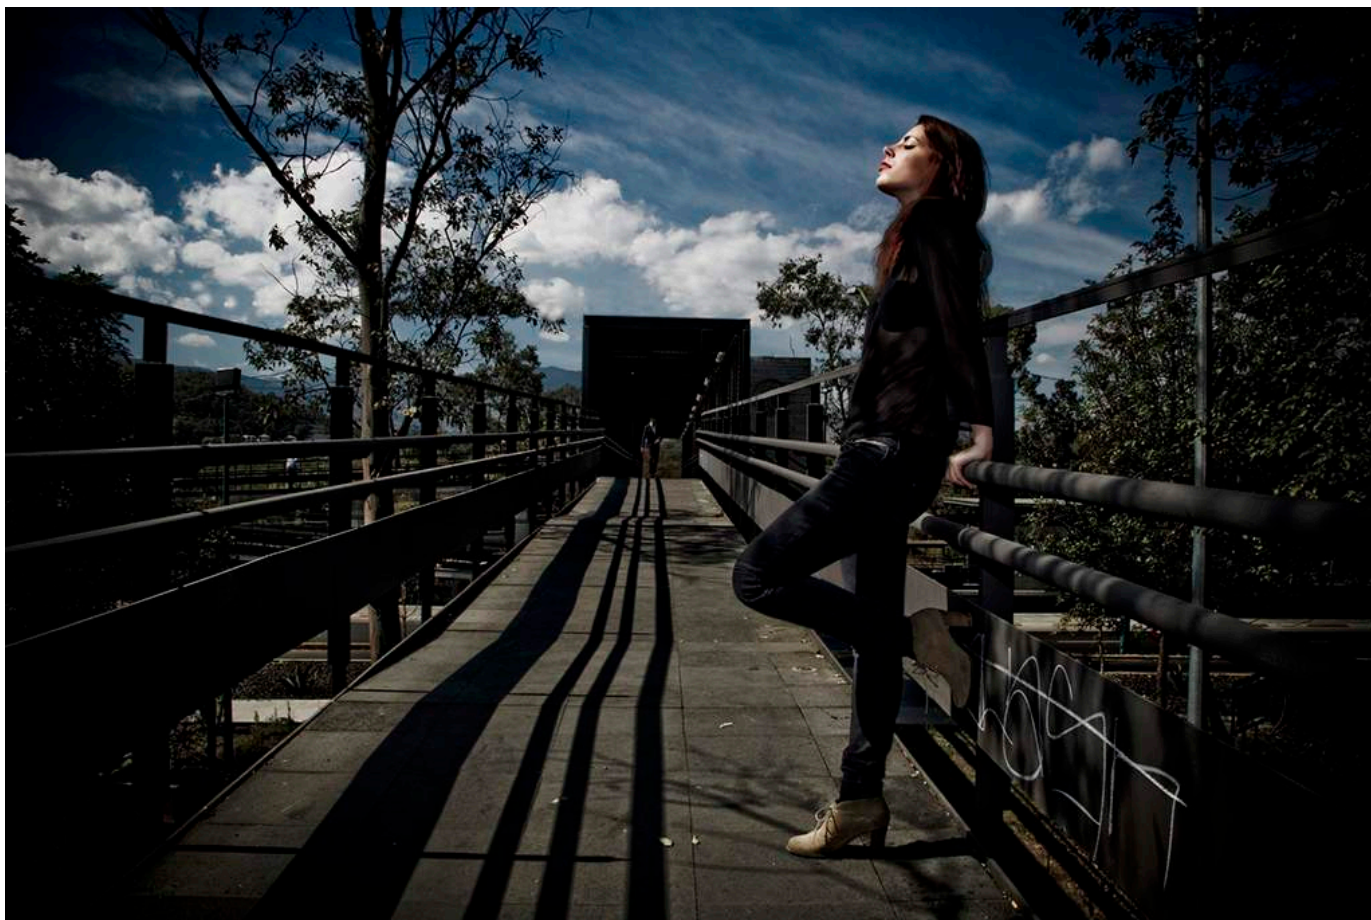

Inspired by all those disciplines and my media education,
I have been developing fashion fiction short films and
have shown them for several years at the Arts and Fashion Festival in Toronto, Canada.

My work shows a good balance between artistic projects and commercial ones.
It helps me to give you an innovative & fresh result,
taking care of your specific requirements.
